

MARYSVILLE ELEMENTARY SCHOOL SUPPLY LIST

Kindergarten

2023 – 2024

No Fees will be charged for school supplies for Kindergarten this year only.

Thanks to the BC Affordability Fund from the government last year, Kindergarten families will only need to purchase the following items this year.

Basics for all grades purchased by Parents/Guardians

- 1 Large box of Kleenex
- 1 Pair non-marking running shoes to be left at School
- 1 Reusable pop-up top water bottle

Parents/Guardians: Please put your child's name on their running shoes, backpack and water bottle as well as all other personal items. Please make sure that the runners have non-marking soles.

Also, please send extra clothes (i.e. pants, shirts, underwear, socks) in a bag, with your child's name on it; this bag is to be left at school so they have a change of clothes in case of an accident or it's wet outside.

Thank you!
