

MARYSVILLE ELEMENTARY SCHOOL SUPPLY LIST

Grades 1, 2 and 3

2023 – 2024

Please pay online \$50 for school supplies to be purchased by the school.

A flat cost of \$50 will allow the school to purchase consumable items in bulk for every student and replenish them throughout the year as needed. If you require financial assistance to purchase supplies, please contact the school directly.

Please pay for supplies the first week of school.

Please notify the school prior to August 28, 2023 if you prefer to purchase your own supplies. A list will be made available from the teachers to ensure all students have the same brand and quality of supplies throughout the year.

Basics for all grades purchased by Parents/Guardians

- 1 Large boxes of Kleenex
- 1 Pair non-marking running shoes to be left at School
- 1 Reusable pop-up top water bottle

Parents/Guardians: Please put your child's name on their running shoes, backpack and water bottle as well as all other personal items. Please make sure that the runners have non-marking soles.

Also, please send extra clothes (i.e. pants, shirts, underwear, socks) in a bag, with your child's name on it; this bag is to be left at school so they have a change of clothes in case of an accident or it's wet outside.

Please pay online using “School Cash Online”.
