2 Type "rocky" in the search field and click . Once prompted, click **Rocky Mountain School District 6**.

Create Account

Please enter at least the first three letters of the district/organization you wish to create an account with.

rocky

Search

Rocky Mountain School District 6

3 Fill in your information on the **Create Account** page.

 Under the **School** dropdown, select the catchment school for your youngest child (student).

 Under the **Account Type** dropdown, select "Parent".

 Under the **Email** field, if you are an SD6 employee, please input a personal email address, **NOT** your SD6 email. SD6 Email addresses are already associated with staff accounts.

4 Once completed, click .

5 Once you have created an account, you will receive an email to the email address you provided.

6 The email received will look as follows:

Click on "cleavr Login".

7 You will then be redirected to a webpage where you will set a password for your account.

8 Once you click "Apply", you will be automatically redirected to your Cleavr dashboard.
