

## Marysville Elementary School Success Plan 2024-2025

### At a glance...

#### **Over arching goal for all areas of our success plan:**

To improve student meaning making (understanding) through summarizing and justification.

(eg. I think "this" means "this" because...)

#### **Priority 1: Equity, Diversity and Inclusion**

If we continue circle practice and focus once a week on inclusion, will students include others more often in their play? "I included others by \_\_ because \_\_\_\_."

#### **Priority 2: Success for Each Learner**

Will a focus on sharing thinking during math tasks and number talks improve number sense?

#### **Priority 3: Growing Capacity of Self and Others.**

Which types of learning about numeracy comprehension will influence classroom practice and pedagogy?

#### **Priority 4: Stewardship for the Future**

Will students have a greater appreciation for place-based learning if they are taught to justify the importance of it?
