## Principal's Report

### Staffing

- Going down a division next year to 8. This is on trend as we usually bounce between 8 or 9 divisions. Our district has not done any lay offs, we have 3 small positions Stacy will be hiring for.

### Garden

- Tree that fell was on Teck property so they came and cleared it
- They will be putting grass in around the garden, don't mind mowing in there
- Planter boxes are coming unsure when

### Playground

- We will be tearing down the old yellow playground sooner rather than later, hoping to have the new play ground for the summer
- Looking into accessible swing to clip into current swing sets. Stacy is ordering and between PAC, the school and hopefully grants we will be able to get it covered.

### Field Trips

- Lots of field trips going on right now
- When we look into field tips we looks at : Is it safe? Is it inclusive? Is it possible to meet the outcome in a safer way

### Activities for the end of year

- Track and Field Day

- Grade 3 transition meetings and planning happening right now. 2 different programs, a passport programs for the children feeling a bit more nervous about the transition with more day trips to McKim. All grade 3s will go up to McKim and do Grade 4 for a day.
- Trying Play with K this year, where children who will be starting Kindergarten in September can come and sit in with the Kindergarten classes for an hour
- Take me outside day at Wycliffe exhibition grounds - high school leadership students run the stations and help out, we have lots of parent volunteers
- Last few weeks busy, hard for students especially those that have trouble with being out of routines
- Forms for students from parents about learning placements in now, teachers are going to ask students for 2 or 3 friends they want to have with them and then they try and make it so every kid has at least one friend in their class. about to begin class list building there will lots of revisions based off of past history and who is the best fit for the student.

## Unfinished Business

### Staff Member on PAC

- Gaming Grant member of district on the executive team we removed from bylaw will look into it more

### Track and Field Day

- Last year we spent \$130 on snacks and 200 on DJ this year it is \$315 for DJ and a budget of \$150 on snacks Nancy motion Evan first Lisa second Nancy will get a cheque for Ray and Kelsey will buy fruit

### Grade 3 Amazing Race

- Shirts were \$226 they ordered some sharpies as well and are going to make magnets for another \$212.16 for Nancy motion to pay for Anna first Lisa second

### Last Day of School

- Planning a Pancake Breakfast for the end of school. Last one went really well and we still have extra ingredients. We still have 20 boxes of pancake mix and 7 jugs of syrup Nancy motions \$500 for pancake supplies and some fun items and stuff that can be used at recess Kelsey first Evan Second

## New Business

### Accessible Swing in Playground

- PAC would like to help, there are grants available which we would try for.
- Would need to look into grants, make sure it is noted that it is community accessible. Natasha happy to help with a write up about
- Look into Rotary which might know about grants or might buy the swing
- Add to the June Agenda - Nancy will look into grant etc in the mean time
